RESPONSE OF MAIN & MARIETTA, L.P. AND
RODNEY HUGHES TO TRUSTEE'S MOTION FOR
ENTRY OF ORDER COMPELLING TURNOVER OF RECORDS

TO: THE HONORABLE MARVIN ISGUR
UNITED STATES BANKRUPTCY JUDGE:

Main & Marietta, L.P. ("Main & Marietta") and Roderick Hughes ("Hughes") responds to the Trustee's Motion for Entry of Order Compelling Turnover of Records as follows:

1. On August 8, 2007, Mr. Tim Wentworth, representing the Trustee, contacted Roderick Hughes about inspecting boxes of documents stored at the premises at 806 Main Street, Houston, Texas. Mr. Hughes was told by Mr. Wentworth that the boxes belonged to the Debtors. Mr. Hughes has learned that there are a dozen or more boxes of documents and some

file cabinets which have been stored, without authorization, on the 21st Floor of 806 Main, which is otherwise vacant, not air conditioned and full of trash.

2. Counsel for Mr. Hughes and Main & Marietta advised Mr. Wentworth by telephone that we did not know who the owners of the documents were, among other concerns expressed in that email, dated August 21, 2007, from counsel to Joe Hill, counsel for the Trustee, attached as Exhibit "A."

3. Since expressing these concerns, counsel for the Trustee has obtained the consent of Mondona Rafizadeh, and counsel for the United Rafizadeh Family Limited Partnership ("URF") for release of these records. The records are available for inspection today, August 29, 2007, at 11:00 a.m., and Hughes will escort counsel for the Trustee to the 21st Floor for the inspection.

4. Two issues remain unresolved: (i) who will pay the cost of removing these records; and (ii) the amount owing as a storage fee or rent by the Trustee, on behalf of the Debtors, for the unauthorized storage of these records. Main & Marietta has submitted a bill to the Trustee in the amount of \$9,500 for storage space rent at \$500 per month from February 1, 2006 through August 31, 2007. The Trustee has not made any offer whatsoever to pay any kind of storage fee, hoping perhaps that this Court will simply order inspection without addressing this issue.

5. Main & Marietta and Hughes expect the Trustee to pay a reasonable storage fee, in good faith. If the parties cannot agree on a fee, an administrative claim will be filed pursuant to this Court's order.

Respectfully submitted,

/s/ Andrew R. Harvin

Joe, it is my understanding that there are at least a dozen boxes of materials and some file cabinets located on the 22nd floor of 806 Main, which otherwise is vacant, unairconditioned and full of trash. My client, Rodrick Hughes, does not know whose materials these are and he advises that they have been stored there by someone without authorization or payment for the storage space. We have several concerns which probably warrant the court's intervention:

1. Building management and Hughes do not know if these materials belong to the debtors.
2. Main & Marietta, LP is entitled to be compensated for storage of the materials, if they belong to the debtors. We have printed a bill for \$9500, which will be sent to you, for storage rent.
3. Our clients need a release from liability in the event of injury to anyone who inspects the materials on the 22nd floor since the space is otherwise full of debris and not ordinarily accessible by visitors, or pay for the moving of the materials and cabinets to and from your office or another location for inspection.

We welcome any proposals you'd make as to addressing these concerns, but we're also prepared to address them to the court for the protection of our clients. Andy Harvin

As you know, my firm represents Rodney Tow, bankruptcy trustee for the above referenced estates. You have previously had a conversation with Tim Wentworth of my office regarding the turnover of estate records to Rodney Tow, Trustee. It is my understanding that the records in question are located at 806 Main, Houston, Texas under the custody and control of your client, Roderick Hughes. I would like to make arrangements to review the records as soon as possible. I will follow up with you by telephone.

The Trustee has given me instructions to file a motion for turnover if we are unable to immediately review the records. Hopefully, such action will not be necessary. Thank you for your cooperation in advising your client to allow access to the Trustee's attorneys. Please advise me how you would like us to make arrangements for a convenient date and time.
